

# Tychem<sup>®</sup> gloves

## Product part numbers

To simplify ordering and inventory management, we developed a simple, logical and intuitive product part numbering system. Using only 16 characters, each part number comprises abbreviations that provide all the information you need.

**NP 570 0 BK 08 0144 EY**

### Coating

The first two characters are the material description.

#### Abbreviations

- VB** Viton™ butyl
- BT** Butyl
